Thank you for reading the Alumni Update!

Welcome to 2010 Edition

With 2010 already well on its way there are many more opportunities and challenges that we find ourselves facing. We are excited to see interest continuing to grow not only in the Alumni Association, but the Citizens Police Academy overall, and will enjoy seeing many more

citizens in our community taking time to learn about all of the important things the Blue Springs Police Department has to offer. Please continue to tell your friends and neighbors about the program and keep Sgt. Kintz's waiting list growing!!

BSCPA Committees

Thank you to everyone that responded with interest in being a part of one of the committees being created for the Alumni Association. All of you will have your names forwarded to Doc who will begin the process of getting things organized and put together for the next steps. Please still feel free to email President@bscca.org if you would like to participate in one.

Coupon Books = Huge Success!!

Initially we thought that starting with 100 coupon books would be more than enough to get us off the ground and add some additional resources that could be used to file paperwork for the Alumni Association to acquire its 501(c)3 tax exempt status. However, you all responded in a major way, and we ended up getting another 50 books to sell. A recent update from the Alumni Association Treasurer, Tom Echerd, indicates that we have sold and received the money for over 120 of the total books, which means we have taken in over

\$600 for those that have been sold so far, and there are about 30 still out. Please let us know if you still have unsold books or money to turn in so we can update the current numbers and have

a better idea of the total count. Thank you for everyone who took the time to pick to participate and make such great contribution. Special thanks to Tom and Doc for all their hard work.
