Welcome to the 1st edition of the Alumni Update!

New Monthly Newsletter

This is the first attempt at a monthly newsletter that will be used as a new tool to stay connected with Alumni Association members. I hope you find this Inaugural Issue informing and maybe even entertaining. We will try and keep things simple and just have this emailed and

posted on the website (www.bscpa.org). If you do not use email often enough to stay connected, you can request that it be mailed to you. This is a work in progress, so if there is something that you would like to see changed or added, feel free to let us know.

Adopt-A-Street

We are considering participating in the City of Blue Springs Adopt-A-Street program. This commitment would require is to pick up trash 9 times throughout the year. Give us some feedback to whether or not this is a good idea because we would need your involvement for it to work. Here is the information link to the City's website:

BSCPA Alumni Cookout – 5/31/09

We have an exciting event planned for the next Alumni meeting. We are planning to have a hotdog cookout at Rotary Park (aka Railroad Park) on Sunday, 5/31/09, from 1-4pm. The shelter has been reserved and in addition to some sides, such as baked beans and potato salad, there will also be water and lemonade provided. Feel free to bring the kids and the whole family. By then there will be 3 classes that have graduated. This will give us a great opportunity to meet other Alumni, and

discuss stories from our shared experiences. I have spoken with Sgt. Kintz about inviting whatever BSPD officers and their families that wish to attend, so hopefully some of them will be able to join us as well.

If you would like to contribute to this event specifically, contact us to let us know. Already Chuck Zuvers, an Association member, is providing the baked beans and potato salad for 200 people we are making arrangements for. We are also seeking donations

from Sonic and Price Chopper for other items for the event. In addition, there will be a contribution/idea box at the event if you would like to donate and it will be used as an opportunity for you to provide ideas as to what direction you would like to see the Association move toward.

Also, bring along your camping and lawn chairs as the shelter only seats about 30. Feel free to contact us if you would like any more information.
